

Storyboards

A storyboard is a visual outline of your project. In addition to a sketch of what will appear on each slide, a storyboard should provide space for you to make notes concerning text, graphics, special effects, and transitions. This sample storyboard is only one of many variations—create your own to suit your specific needs.

Sketches & Notes for My Storyboard Titled: _____

<div>1</div> <div></div>	<div>2</div> <div></div>	<div>3</div> <div></div>
<div></div> <div></div> <div></div> <div></div>	<div></div> <div></div> <div></div> <div></div>	<div></div> <div></div> <div></div> <div></div>
<div>4</div> <div></div>	<div>5</div> <div></div>	<div>6</div> <div></div>
<div></div> <div></div> <div></div> <div></div>	<div></div> <div></div> <div></div> <div></div>	<div></div> <div></div> <div></div> <div></div>
